Unnatural/Natural Obstruction(s) Encountered

(Concrete, wood, brick, fill, boulders, broken rock etc)

Job Site: _____

Elevator Company: _____

General Contractor: _____

I hereby verify/confirm that an **Obstruction(s)** has been encountered at the above referenced job site, either natural or unnatural. I understand and agree that the obstruction must be removed in order to proceed with drilling operations for the hydraulic elevator hole. I also further agree to and authorize any/all costs or change orders supplied from Elevator Company that may be incurred and charged accordingly that are related to the necessary scope of work required for the removal/clearing of the obstruction for any/all time experienced by Driller. Elevator Company will provide the necessary change order for all associated costs, unless otherwise agreed to by GC & Drill Solutions Inc.
